

MOSMATIC CEILING BOOM Z SERIES DKZ - 65.013

SKU: 165 65.013

Inlet Thread G1/4 F
Outlet Thread G1/4 M
Length 1550mm

The ideal solution for self-service car washes. The unique shape of Mosmatic Z-boom allows the installation of multiple ceiling booms in a wash bay. This makes it possible to add additional services such as foam applications and Air Drying to a confined space and increases your profits.

Mosmatic Z Series DKZ Ceiling Boom available in various lengths.
