

QC X 1/2 INCH ELBOW HOSE FITTI

SKU: 165 EF-QC-EL12

For pump EF2200-QA, EF3000-QA, EF4000-QA, EF5500-QA, EF7000-QA

The Valley Industries Universal Quick Connect x 1/2" Hose Barb Elbow Pump Port Fittings were designed to provide flexibility for your 12volt diaphragm pump when it comes to connecting a hose for a spot or broadcast sprayer. Made of polypropylene material for increased longevity. Features quick connect x 1/2" hose barb elbow connection.

Approved for use with Round Up and other branded herbicides or pesticides. Compatible with Everflo and other branded 12volt diaphragm pumps with threaded ports.
