

UNDERCARRIAGE CLEANER WITH RAMP - PREMIUM - MOSMATIC

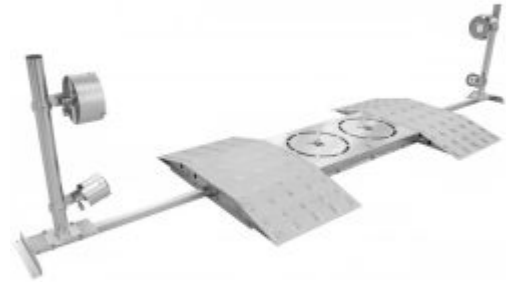

SKU: 165 80.501

1,015 PSI, 120°C
3 - 12 pH
120 mm High

Features

- Mobile carriage under cleaning
- Easy and fast assembly
- 100% stainless steel
- Only 120 mm in height
- This undercarriage cleaner from Mosmatic is the first of its kind using patented technology and is only 120 mm in height.
- It will help prolong the life of your vehicles and fleets making them safer for service and maintenance.
- This all stainless mat can easily be assembled with simple tools in minutes and can be anchored or mobile.
- Easily adapts to pressure washer pump systems from 22 L/min to 76 L/min, works with hot or cold water systems and chemicals from pH 3 - 12.
- Your vehicles and fleets are valuable assets that are exposed to the influences of nature, chemicals, and pollution. This leads to significant wear and tear on the chassis, wear parts, and body. Keeping the undercarriage of your vehicle clean prevents rust and corrosion, reducing cost and prolonging component life.

Specifications
